

4 Days/ 3 Nights Serengeti National Park and Ngorongoro Crater.

Day 1: Moshi to **Serengeti National Park**

After breakfast, we collect you from your hotel and depart for Serengeti National Park. Along the way, we will pass through several small villages and it is a good opportunity to get a glimpse of typical rural life in Tanzania. We will be driving through Ngorongoro Conservation Area, but not through the crater itself. Once arriving in the Serengeti, we will proceed on a short game drive before settling in at our overnight campsite/lodge for relaxation, dinner and sleep.

Drive hrs: 8-10 hrs

Meals: box lunch and dinner

Day 2: **Serengeti National Park**

After breakfast, we proceed on a full day game drive inside the Serengeti National Park. This is a huge park and we will see a small portion of it, but it will be evident why it is considered the premier safari destination in the world. We will pause to enjoy a box lunch then proceed for more game viewing. Late afternoon, we return back to the lodge/campsite for relaxation, dinner and sleep.

Activity: full day game drive

Meals: Breakfast, box lunch and dinner

Day 3: **Serengeti National Park to Ngorongoro Conservation**

After breakfast, we enjoy a half day game drive exploring more of the Serengeti. During the afternoon, we work our way out of the park and enter Ngorongoro Conservation Area. It is prohibited to spend overnight inside of the crater so our accommodations will be above the crater near the crater rim. This is a cold location since there is some altitude (7,500 ft or 2286m). Even a knit cap and light gloves may feel welcome since it also tends to be windy. Relaxation, dinner and sleep at tented camp/lodge/campsite.

Drive hrs from Serengeti: 3-4 hrs
Meals: Breakfast, box lunch and dinner

Day 4: Ngorongoro Conservation to Moshi/JRO

After breakfast, we will descend into Ngorongoro Crater floor for game drive. The crater has a high concentration of animals and is one of the few safari destinations where all of the "Big 5" can be spotted within a few hours. The crater is not very large though, just 20km in diameter so in 4-5 hours all can be seen. Afterwards we will make our way back to Kilimanjaro Airport/Moshi.

Drive hrs from the crater to Kilimanjaro Airport/Moshi: 4/5 hrs

Meals: Breakfast and box lunch
