

## 5 Days/ 4 Nights Tarangire National Park, Serengeti National Park and Ngorongoro Crater.

### Day 1: Moshi to **Tarangire National Park**

After breakfast, we collect you from your hotel and proceed to Tarangire National Park for a game drive. This park is especially known for the large amount of elephants and giraffe. Animals from the surrounding area congregate along the Tarangire River which winds its way through the park. The park has a large number of baobab trees and is quite scenic. We pause for a box lunch inside the park, and then continue with the game drive. In the evening we settle in at our campsite/lodge/tented camp for overnight.

*Drive hrs from Moshi: 3-4 hrs  
Meals: box lunch and dinner*

### Day 2: Campsite/lodge to **Serengeti National Park**

After breakfast, we drive to Serengeti National Park. This drive takes us through Ngorongoro Conservation Area (not through the crater but in the highlands). Once we arrive at the Serengeti, we proceed on a game drive until evening. Relaxation, dinner and overnight will be at campsite/lodge/tented camp inside of the Serengeti.

*Drive hrs: 3-4 hrs  
Meals: Breakfast, box lunch and dinner*

### Day 3: **Serengeti National Park**

After breakfast, we set out for a full day game drive. The Serengeti is a huge park and we will get the chance to travel a bit further from the camp. We will have a box lunch with us and stop to enjoy and relax before proceeding for more exploration of the park. Late afternoon, we return to the campsite/lodge/tented camp for relaxation, dinner and overnight.

*Activity: Full day game drive*  
*Meals: Breakfast, box lunch and dinner*

#### **Day 4: Serengeti National Park to Ngorongoro Conservation**

After breakfast, we set out to explore of the Serengeti and view the wildlife. We continue viewing game while we make our way out of the park and back into Ngorongoro Conservation Area where we will have dinner and overnight at campsite/lodge/tented camp. Note: Overnights are not permitted inside of the crater. All accommodations are outside the crater, most are near the crater rim. This is a cold location since there is some altitude (7,500 ft or 2286m). Even a knit cap and light gloves may feel welcome since it also tends to be windy.

*Drive hrs: 3-4 hrs*  
*Meals: Breakfast, Lunch and Dinner or Brunch/Dinner*

#### **Day 5: Ngorongoro Conservation to Moshi**

After breakfast, we will descend into Ngorongoro Crater. The concentration of animals and with the majestic crater walls, it makes great photographic opportunities as well as the size of the crater is such that in half day, all can be seen. We then we ascend out of the crater and make our way to Kilimanjaro Airport (JRO) or back to Moshi. Note that an international flight departing after 17:30 or a domestic flight departing after 17:00 would fit into this itinerary well.

*Drive hrs: 4-5 hrs*  
*Meals: Breakfast, box lunch*
